## SENTENCE DATA SUMMARY

1. Sentence: 135 months LIFE supervised release
2. Date Sentence Imposed: January 31, 2018
3. Sentencing District: District of Utah
4. Criminal Docket Number: DUTX 1:14CR00060-001 DB
5. Current Offense: Distribution of Child Pornography; Extortion.
6. Description of Current Offense: On January 17, 2014, when the Layton Police Department was contacted by M.M., a 14-year-old minor. The minor reported that she was being sexually harassed and exploited through Facebook. The minor stated she began receiving messages from "Megan Rogers" on Facebook sometime between November 1, and November 28, 2013. The messages from the Facebook account were compliments on her physical appearance and were requests to exchange sexually suggestive and provocative photos. Megan sent M.M. nude photos, including fully nude close-ups. She asked M.M. to send her nude or semi-nude photos of herself in return. One of the minor's friends, 15-year old I.N. was also contacted by Megan Rogers on Facebook and they began communicating using Facebook messenger and Snapchat. On December 11, 2013, M.M. and I.N. took photographs of themselves wearing only their bras and panties, and then sent the images to Megan.rogers.908579@facebook.com. After sending the photos, M.M. was contacted by Megan Rogers via text message. Megan demanded nude photographs of M.M., threatening to post the previously sent photos

on M.M.'s Facebook or the Facebook accounts of her family and friends. M.M. said she tried to plead with Megan Rogers for two hours but was coerced into taking nude photos of herself. Some photos depicted her wearing only panties and exposing her unclothed breasts, and others depicted her standing in front of a mirror showing her exposed vagina and breasts. M.M. sent these to Megan Rogers through Snapchat. She asked Megan to leave her alone after she sent the pictures and she did not hear from Megan for a few months. M.M. was contacted by Megan Rogers again in January of 2014. On January 15, 2014, Megan posted the sexually explicit images of M.M. on Facebook, tagging her in the photos. M.M. reported the images of Facebook who removed them from the internet site. M.M. said she was not aware that Snapchat messages could be saved with a screenshot. According to M.M., Megan Rogers was a 17 to 18-year-old female who lived in Los Angeles, California. A forensic examination of M.M.'s phone revealed that within the group of images sent to Megan Rogers via Snapchat was an image of I.N. exposing her breast. A child pornography image of M.M. displayed on the Facebook posting was also found during the forensic search of the cell phone. A court order was sent to Facebook who responded that the Facebook account was primarily being accessed from IP address 24.141.182.105. This IP address was utilized by Canadian Internet Service Provider, Cogeco. On August 25, 2014, the Ontario Provincial Police, Child Sexual Exploitation Unit, was contacted regarding this investigation and obtained a court order for the subscriber information. The internet service provider identified the home address of defendant Patrick Goddard. On September 3, 2014, officers executed a search warrant at the defendant's home and took him into custody. During a search of the home, an ipod, cell phone and computer were located and taken for forensic examination. The content of the devices showed that Patrick Goddard had created a fictitious Facebook account under the identity of Megan Rogers. In a skype chat between Goddard and two other individuals Mr. Goddard admitted he was in control of a false Facebook account and used it to gain nude images of girls. A search of the devices revealed that there were additional minor victims who had been enticed and extorted by him. Goddard transmitted child pornography and he received images of child pornography after threatening the minors.
